**ECF Nos. 49, 50**

Before the Court are Defendant's Motion to Modify Conditions of Pretrial Release (ECF No. 49) and related Motion to Expedite (ECF No. 50). Neither the United States nor the United States Probation Office oppose the request.

Specifically, Defendant requests the Court modify Special Condition No. 10, which placed Defendant on GPS home confinement. ECF No. 34. Defendant requests instead that he be placed on GPS monitoring with a nightly curfew between 9:00 PM and 6:00 AM. Due to Defendant's compliance with supervision since his release from inpatient treatment and because the United States Probation Office does not object, the Court finds this home confinement is no longer
